1) The ecf has reported that Y.B. Mudalmani has encroached an area of 4 guntas in F.S. no. 307 of Sulebhavi and for which offence case was booked against him. He has also paid the compensation fixed but not vacated the area.

It is for orders, whether we may agree to the proposal of the C & F, as such irregular encroachments as 'fait accompli' encourage others also, to commit such irregular encroachments and request for grant in their favour, on the ground that they have spent considerable amount for the improvement of the area, etc.,

However, if the proposal

No.Ba-69-GFL-914/0[illegible] Chief Conservator's Office,
Bangalore, dated: April, 1964.

To

The Secretary to Government,
Agriculture & Forest Department,
Bangalore.

Sir,

Sub:- Encroachment in F.S.No.367 of Sulebhavi in Hungund Taluk by Sri Yamanappa Balappa Mudalmani -

Ref:- Your memo No.AFD 6601/61 dated 22-7-61.

.....

The applicant Sri V.B.Kulkarni has complained about the encroachment made by one Sri Yamanappa Balappa Mudalmani in F.S.No.367. On enquiry it is reported that Sri Y.B.Mudalmani has encroached an area of 4 gurtas in F.S.No. 367 of Sulebhavi. Offence case was booked against the encroacher. He has paid the compensation fixed by this Department, but has not vacated the area.

The area encroached upon is adjacent to the Malki land of the encroacher and the encroached area is surrounded by stone bund. The area is reported to be in occupation of the land for the last ~~xx~~ ten years and that he has spent considerable amount over the area. In the circumstances the Conservator of Forests, Belgaum Circle, Belgaum, recommends to regularise the encroachment. Regularisation of the encroachment as "fait accompli" encourges the applicant and others to commit such irregularities. But the area involved in this case is very small and grant of the same will not result in honey combing of awkward bounderies of the forest. In the above circumstances, there is no objection to disforest the area and to confirm the same in favour of Sri Y.B.Mudalmani.

Orders of Government may be issued early.

The connected papers accompany for reference and return when done with.

Yours faithfully,

Chief Conservator of Forests.

Sir,

Subject: Petition of Shri. Vithal Bhimrao not to dispose of F.S.No. for cultivation.

Reference: Your No.B-3-Mis/12471 of 8/16-8-1962.

2. I am submitting herewith application of Shri. V.B. Kulkarni of Amingad along with a copy of letter No.FOP/GFL/Ench. of 1-11-1962 of the Sub-Divisional Forest Officer, Bagalkot for favour of perusal. As stated by Shri. V.B. Kulkarni in his application, it is a fact that there has been an encroachment over 4 gunthas of land in F.S.No.367 of Sulibhavi for cultivation and the same is enclosed by the stone bund. Release of such lands encroached upon would lead others to encroach upon lands etc. The views expressed by the applicant are to be accepted generally. In this particular case, however, the encroachment existed for the last 10 years and for the encroachment, the offence case was booked and the offender Shri. Mudalmani paid the compensation of Rs. 20/- but has not removed the encroachment. The Sub-Divisional Forest Officer is of the opinion that the encroachment may be regularised by granting it for cultivation as inforest settlement plot. The Sub-Divisional Forest Officer has also inspected the land. In view of the above, the grant of the fragment of land and regularisation of the same needs to be considered favourably.

Yours faithfully,

CONSERVATOR OF FORESTS,B.C.

Sir,

Reference:- Your No. FOP/GRL/BGK/1153/33/61-62 dated 23-8-1961.

In this, one Shri Yamanappa Balappa Mundalmani of Sulibhavi owner of malki S.No. 374 of Sulibhavi has encroached an area of 0 A - 4G. in F.S.No. 367 of Sulibhavi which is just adjecent to his above malki S.No. Necessary offence papers for his unaurhorised occupation of the encroached area were prepared and Divisional orders to pay the compensation of ;.20/- and to remove the encroachment were also passed. Accordingly the encroacher Shri Y.B.Mundalmani has paid the compensation of Rs.20/- but he has not removed the encroachment stating that he will be put to a great loss if he is to remove the encroachment. He further adds, that he is willing to leave the land on these conditions to be imposed by Government.

The area encroached upon has been personally inspected. There is a stone band erected on the border of the encroached area. It is rather difficult to shift bund erected and ~~this~~ affect his field from Soil Conservation point of view. The area encroached upon being small (4 Gunthas) it is recommended to be given to him for cultivation as " Inforest Settlement Plot " as per the sketch enclosed herewith. (at P.13)

2/- The Revenue authorities have been consulted as required by Government Order No.AFD-110-FGN-60 dt.28-2-61 as to whether there is any objection to disforest the encroached area of 4 gunthas in F.S.No.367 of Sulibhavi. The Revenue authorities (at page 39) have offered their remarks stating that there is no objection to grant the area to the encroacher after disforestment.

There is a big band already created in the encroached area and it will affect his field crop if it is removed. Hence the undersigned has no objection to grant the area of 4 gunthas after disforestment.
